EDUCATION

Bachelor of Engineering- Computer Science Engineering - CGPA: 7.35 2021-2025

JNN Institute of Engineering (Currently pursuing final year)

Senior Secondary - Central Board of Secondary Education - Score: 87% 2021

Adarsh Matriculation Higher Secondary School

Higher Secondary Central Board of Secondary Education - Score: 72% 2019

Adarsh Matriculation Higher Secondary School

PROJECTS

Development and Scaling of a Multi-category eCommerce Marketplace

- **An eCommerce website enables online transactions for buying and selling goods or services, accessible 24/7 globally.**
- **It features product catalogue browsing, secure payment processing, and often includes user reviews and customer support for a seamless shopping experience.**

Virtual Learning Environment (VLE) Development and Implementation

- **Developed an online platform for managing courses, facilitating student enrolment, progress tracking, and assessments**
- **The system includes features for instructors to upload course materials, conduct assessments, and interact with students, ensuring efficient educational administration and enhanced learning experiences**

Basic Android Applications

- **Created intuitive user interfaces with XML layouts and Android views to display content and capture user input.**
- **Implemented user interactions like button clicks and input validations using Java/Kotlin, ensuring smooth functionality and user engagement.**

INTERNSHIP

CodeBind Technologies

(July 2023)

During my web development internship, I gained practical experience in both front-end and back-end technologies such as HTML, CSS, and JavaScript. I collaborated closely with senior developers to implement features, fix bugs, and optimize code, learning industry best practices. I contributed to real-world projects from planning to deployment, database management (e.g., SQL, and server-side scripting (e.g., PHP). This internship equipped me with valuable troubleshooting abilities, code review skills, and adherence to project timelines, preparing me for a career in web development.

SKILLS

Software tools: - Web development tools, JavaScript, PHP, C, C++, Basic Python, Java, XML, Dart (Basic).
Languages: English, Tamil.

CERTIFICATIONS

- Java Certification
- Web Development Bootcamp
- Naan Mudhalvan (MS OFFICE)
- PHP Certificate
- JavaScript Certification
- OOPS Certification
- MYSQL Certification
- Python certification

SPORTS

- Represented in college Football team and won second place in 2022.
- Played for collage cricket team in intercollege tournament.
- Participated in badminton held on college.

Declaration: I hereby declare that all the details provided above are true to the best of my knowledge.

Best Regards,

(NITEESH J)
